About Hope Lives Here

Hope Lives Here provides service dogs for Veterans who suffer from post-traumatic stress (PTS), traumatic brain injury (TBI), military sexual trauma (MST) and or chronic pain disorders. Service dogs are very expensive, with fees ranging from \$15,000-\$75,000. Unfortunately, insurance companies do not cover this cost. Through our program, eligible Veterans are not obligated to pay a penny.

What makes Hope Lives Here unique? We rescue dogs from local shelters, pair them with a Veteran, and train the two as a team. The bond formed between the service dog and Veteran is like no other. Visit hlhtexas.org for more information.
